## Application Requirements:

Just follow the steps to ensure quick processing

### Step #1: Complete the Application FORM:

Part A: 1) Complete the application, sign where it says “applicant signature”  
2) Write in your equipment model choice(s). Contact us if needed.

Part B: This can be completed as “contact only” if friend/family is helping the applicant. If someone is truly acting on behalf of the applicant, please see form.

Part C: This portion **MUST** be completed and **SIGNED** by your **PROFESSIONAL**.

### Step #2: Sign the Conditions of Acceptance FORM: Read, sign and date.

### Step #3: Statement of U.S. Citizenship/Alien Status for State Benefits FORM:

You must submit photocopied proof that you  
(**CURRENT NAME**) are a **U.S. Citizen**.

- Complete every blank on the citizenship form
- Check the box of which kind of photocopied documentation you are submitting for citizenship.
- Sign and date page two.
- **Provide a photocopy** of the document(s) that prove you (**current name**) are a legal resident of the U.S.A. **The most common proofs of CITIZENSHIP are:** U.S. Passport with current name **or** U.S. Birth Certificate. If using Birth Certificate and last name has changed, (typically upon marriage) see below.

**Notice: Last name change(s) for women are the most common challenges in proving United States Citizenship and Identity:** Women who are using their Birth Certificate with their MAIDEN name for proof of U.S. Citizenship, and have taken a spouse’s last name upon marriage(s), must provide marriage certificate(s) that prove sequential name change(s). How many times have you changed your name since your U.S.A. birth? Last name changes affect citizenship and identity.

Last name at birth ----->----->-----last name now?
